

Welcome to the 2015-2016 season of Herriman High school Winter Guard!

Many of you are new this year. Many of you are new to the activity in general. Those parents and students who don't know what Winter Guard is, let us try to explain. It is a mix between dance, drill, and color guard. Have you ever seen marching bands that twist and twirl their rifles and flags around? That is us, only when it is Winter Guard there is a whole season just for color guard! You learn a show routine and perform it around different high school gyms. It is physically and mentally challenging but so rewarding. It is a great way to get involved, feel a part, and to be a part of a team.

Please type in the following links into a web browser to do a little more research. Color Guard is a big deal around the nation and it is a BIG DEAL in Utah. We want Herriman Guard to be the biggest deal out there!

What Winter guard is:

We are so excited to travel across the Salt Lake Valley to compete and represent Herriman High School! We are grateful you are allowing your students to try this out! It will be so worth every ounce of sacrifice, time, and money that you put into it.

In this packet you will find a large amount of information. **Don't be intimidated.** Students who are new will be able to catch up quickly with veteran support and staff instruction.

If at any time while looking through this packet you have any questions DO NOT hesitate to send myself, or Ms. Kim an e-mail.

Lastly, remember that it's better to try the experience and decide it's not for you than it is to never give it a shot. We are looking forward to an exciting season and a great experience for all!
